

Added value to your projects

*Let's talk about **people**...*

NAME:

Beatriz Santos

POSITION AND DELEGATION:

Admin staff at Engineering Dept. (Barcelona)

WHERE ARE YOU FROM?

Bahia – Brazil

• **Why did you decide to join Valtria?**

Because I find the project engineering branch we deal with (design and installation of clean rooms) very interesting and because Valtria is a company I trust I will learn a lot and grow as a professional in.

• **What do you like about Valtria?**

The transparency with which they work, the seriousness, the work environment and how they treat their professionals.

• **And outside Valtria, what activities do you enjoy doing in your free time?**

I usually am with family and/or friends, go for walks, paint, do some sport and, if possible, travel.
