

Added value to your projects

*Let's talk about **people**...*

NAME:

Gonzalo Ojea

POSITION AND DELEGATION:

Business Development (Basque Country)

WHERE ARE YOU FROM?

I was born in Vitoria and now I live in Castro Urdiales with my wife and my 6-year-old daughter.

● **Why did you decide to join Valtria?**

I love the industry. When I was at Albion, competition with Altria was tough, so I knew it was a strong company, in terms of growth, plus I am passionate about the project.

● **What do you like about Valtria?**

EVERYTHING. The personal and professional welcoming of all colleagues. The efficiency of everyone I have had to talk to and sensing there is an on-going growth project. The commitment to people and retaining talent, i.e. with training. I find it's great.

● **And outside Valtria, what activities do you enjoy doing in your free time?**

My free time is mainly spent with the family. I love making plans with them. I also like doing some sport, but not pushing it too hard! And like a good Basque (although it is not exclusive from here), good food!
