

Added value to your projects

*Let's talk about **people**...*

**NAME:**

Valentina Piterova

**POSITION AND DELEGATION:**

Technician at the Engineering Dept. (Barcelona)

**WHERE ARE YOU FROM?**

I am from Kazakhstan.

• **Why did you decide to join Valtria?**

I heard good things about Valtria as a company with a high level of knowledge and professionalism in HVAC. In addition, when I met some Valtria workers in my previous project, I loved their attitude and way of working.

• **What do you like about Valtria?**

Work environment.

• **And outside Valtria, what activities do you enjoy doing in your free time?**

In my free time I like leading the most active life possible: dancing, hiking, travelling and getting to know new places, enjoying life as it is.
